

3D Motion Dance Center Covid-19 Safety Guidelines

1. All students, staff and parents will be required to wear a face mask upon entering the studio. Students will be allowed to remove their mask once class starts, but a mask must be worn at all times in the lobby, restrooms, and all common areas.

2. We will require a temperature screening and hand sanitizer or hand washing for all who enter the studio.

3. If you have a child age 6 or older, you will need drop off/pick up only, with no waiting in the studio. If you have a student under 6, and would like to wait in the studio, please understand we can only have 1 parent/guardian per dancer (siblings of an under 6 student are allowed, if necessary, but must be kept with you at all times, and all children over 2 must have a mask on).
*NOTE: Parent of a trial student over age 6 will be allowed to stay in the lobby during their child's first class only.

4. Bring your own water bottle to class - water fountains are off limits until further notice.

5. NO STREET SHOES in the classroom at any time. Please do not allow your child to wear their dance shoes outside the studio, cubbies are provided as a place to store their "outside" shoes in during class time. Hip Hop dancers must have a separate pair of shoes they wear only for class time, or they will be asked to remove their shoes for class.

6. Please remind your dancer that they MUST maintain 6 ft distance from each other when possible.

7. If your child is sick, please keep them home. Also, for the safety of everyone at 3D, if you have been exposed to, or could possibly have been exposed to someone with Covid-19 please do not return to the studio until you have received a negative test result.
